

VCUSOM 3 Action Boxes

Nathan Hellenbrand - 2024-10-18 - Web & Communications

VCUSOM 3 Action Boxes is used to add 3 action boxes to the page.

The screenshot displays a configuration interface for VCUSOM 3 Action Boxes. At the top, there is a heading field labeled "VCUSOM 3 Action Boxes Heading (150 characters, required)". Below this, three boxes are shown, each with a heading, description, and text field. The first box is dark green, the second is dark red, and the third is dark teal. Each box contains a heading, a description, and a text field. The descriptions are identical and provide instructions on how to use the boxes, including a warning not to put images inside them. The text fields are labeled "Box 1 text (50 characters, required)", "Box 2 text (50 characters, required)", and "Box 3 text (50 characters, required)".

Fields include:

Name - The Name Element

Heading - Heading to appear above the boxes - 150 limit
